The Gold Preferred Plan and Exclusionary Coverage:

Silver Preferred and Powertrain Preferred plans cover the repair cost for mechanical breakdown of the parts listed on the Security+Plus Vehicle Service Contract (VSC) after your vehicle's warranty expires.

The Gold Preferred plan offers exclusionary coverage, the highest level of coverage that a vehicle qualifies for once it is outside the manufacturer's warranty. There is only a small list of excluded parts, shown on the VSC, consisting of but not limited to: Regular Maintenance, Cosmetic items, and Physical Damage.

Covered components are subject to change. Please refer to the Security+Plus Vehicle Service Contract or contact your Nissan dealer for details concerning components covered and those components which are excluded from coverage.
