Welcome to Nissan Security+Plus[®] GAP Plus Plan

GAP is a unique coverage program that protects you from financial disaster in case your vehicle is stolen, or totaled. Here's why: as your vehicle gets older, the actual cash value (ACV) declines, while your lease or loan balance may remain higher than what the insurance company will pay you. You are then liable for the difference between what the insurance company pays you and what you owe.

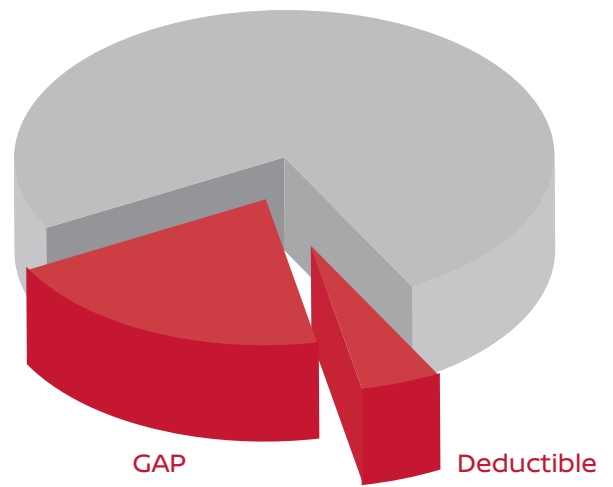

With GAP Plus Protection, you can focus on enjoying your vehicle and not worrying about paying the difference between the actual cash value (ACV) and your loan balance if your vehicle is stolen or totaled.

In other words, if your insurance does not cover the cost of the totaled or stolen vehicle **YOU HAVE TO PAY THE DIFFERENCE.**

HOW GAP WORKS

| | |
|-------------------------------------|----------|
| Lease/Loan Pay-Off | \$26,000 |
| Primary Insurance Settlement Amount | \$20,000 |
| Difference Owed | \$6,000 |
| Total GAP Amount Waived | -\$6,000 |
| Your Out of Pocket Expense | \$0 |

This example is for illustrative purposes only. Actual GAP waiver calculations will vary based on specific circumstances.

With Nissan Security+Plus GAP Coverage, We Pay That Difference.

You are covered in case your vehicle is stolen or totaled. If you return to your original dealer to purchase or finance your replacement vehicle after a covered total loss, you will receive an additional one thousand dollars (\$1,000) credit towards your new purchase.

Whenever you are driving, you'll enjoy the secure feeling knowing that you are protected by the Security+Plus GAP Plus Protection Plan.
